SCRS SUMMER CAMP 2018

Dear Parents,

Welcome to summer 2018!

This summer your children aged 5-12 can look forward to awesome activities including weekly trips to town and visitors from local professionals and mentors, for just \$20 a day (with a \$50 a day limit per family).

This parent package provides a quick look at some of the awesome things that we have planned for this summer, so that you can decide if SCRS Summer Camp is right for your child. It will also provide you with registration and payment information, as well as tips on what to bring to camp.

We would like to thank the Sapræ Creek Residents Society and the volunteers from the community who help to generously subsidize this program through casinos. We urge you to volunteer for the next casino dates (October 4th & 5th) so that we can continue to offer quality summer programs in the years to come.

We look forward to meeting you all and spending a summer in the sun with the awesome kids of Sapræ Creek!

Sincerely,

Katelyn Maher & Melanie Reddy
